Record moguls, big and little;

Here's the list for October and what is in store for WMSE. We'll be expanding our progressive hours to 12 a.m. to 6 a.m. in a few weeks. Also we hope to do more live interviews. We talked with D.O.A., Romeo Void, and The English Beat.

And hey, we need more jazz and soul so the d.j.'s can do their hourly quota of new records.

Awaiting the onslaught,

Paul Host
Music Director, WMSE
